

## BLIKIR Wide Panels Gap Dense Rubber T-Gasket Seal Strip

SKU: BLKR-W1/2GAP-SEAL100F

30.5 Meter / 100 ft Spools

Install the gasket between the panel frames on the BLIKIR Carport/Canopy to create a watertight surface.

Ideal for gaps from (8mm) 5/16 inch up to (13mm) 1/2 inch (can also hold in place 4mm wider, but not ideal).

Each spool can cover an average array of 5kW.

The minimum module frame size is 29mm.
